'Believe, Excite, Succeed, Together'

Friday 19th May 2023

Dear Parents and Carers,

I have been incredibly proud of our Year 2 and Year 6 children over the past few weeks. They have completed their end of Key Stage assessments (SATs) with resilience, bravery and determination. To celebrate the end of the tests, they had a surprise visit from the ice-cream van and time to play at the park.

Snacks and Drinks in school

We are encouraging our school to eat healthy as part of the Government initiative and this includes drinks and snacks for playtimes. Please send your child to school with a healthy snack each day for breaktime, this should not be chocolate, biscuits or crisps. Fruit is also provided during break and lunchtimes.

Please ensure that your child brings a water bottle into school every day. Please do not allow your child to bring in fizzy or energy drinks, such as Prime.

Staying safe in the sun

As you know, the weather is unpredictable but also getting much hotter. Please ensure that your child brings a coat into school every day but also sunglasses and a sun hat on warmer days. We advise you to apply sun cream prior to coming to school and send your child in with a named bottle of suncream to apply on hotter days. We will discuss safety in the sun next week as part of our Wellbeing Wednesday worships.

Year 6 Church School Festival

Each year our Year 6 children are invited to attend the Church School Festival at Lincoln Cathedral. Many other schools attend and take part in workshops and performances. Our children enjoyed their day and behaved impeccably.

We have lots of events in school next term so please keep checking our notice board and school website.

Kind regards
Mrs T Roulter

Sports News

Today, some children from Year 3 and 4 took part in a tennis festival as part of our Carres Sports events offer. Thank you to Miss Steer for organising all of the sporting events. Look out on our school social media pages for photographs!

Here's a glimpse into our week...

Topaz Class have enjoyed searching for micro habitats in science and using animation in Computing lessons.

Emerald Class have enjoyed learning about time in maths, using observational skills in science and using drama in English.

Amethyst Class have enjoyed making Shang Dynasty artefacts with clay as part of their topic work and using role play in English.
