

## Welbourn Church of England Primary School

*'Believe, Excite, Succeed, Together'*

**Friday 19<sup>th</sup> January 2024**

Dear Parents and Carers,

Welcome back! We have started our new term with lots of exciting activities to enthuse the children about their learning. This has included dinosaur activities, arts and crafts, science experiments and more! You can access more information about topics on the class pages on our website and also via social media pages.

### Sporting news

Today we had a group of four Key Stage 2 children attend an event at The MAC Leisure Centre at Nocton, they took part in a combat afternoon with other schools.

### P.E

We continue to have P.E every Monday and Wednesday. Please ensure that your child has their P.E kit both days in school, including footwear. This includes football boots and indoor trainers for Emerald Class.

### School Support

I will continue to support Coleby Primary School as an Interim Executive Headteacher in the absence of the head teacher. Some mornings or afternoons I may not be on site, but I am still contactable via email or the school office.

### Morning drop off time change

We will be closing the gate at 8.55am so that pupils are in school in good time for the register to be taken at 9.00am. The gate opens at 8.45am so that children can take part in morning activities and adults can listen to them read.

### Clothes bank

We continue to collect clothes to be recycled. Our school receive money as part of these donations so every little helps. The clothes bank is just near the car park entrance to our school.

### Friends of School – desperate plea for helpers!

Our Friends of School play a vital role in helping our school to raise money for extra special activities, trips, resources and more! We are desperate for volunteers to plan and support fundraising activities and initiatives. There will be a meeting to discuss potential activities that we could plan to enrich activities such as Forest School and outdoor learning. If you could offer support, the meeting will be held in school at 8.45am on Friday 2<sup>nd</sup> February.

### Reminders

Please ensure that your child has a coat, hat and gloves in school each day. The children will be playing outside during lunch and breaktimes and it does get very chilly.

I hope you all have a lovely weekend, we look forward to seeing you all on Monday at 8.45am.

Kind regards  
Mrs T Boulter

## Let's take a look at what our children have been learning...

Topaz Reception Class enjoyed using balance scales to weigh various objects

Year 1 and 2 have been using coding in computing lessons, making dinosaurs with paper mâché and had a visit from a dinosaur on Inspiration day!

Emerald Class have enjoyed exploring and creating Indian art and henna patterns.

Amethyst class have enjoyed developing map skills, sorting using diagrams in science and making biomes using arts and crafts.
