

Dear Parents and Year 4,5,6

In Amethyst this half term we will be exploring the geography topic 'Who were the Ancient Greeks?'

Our challenge questions are:

LC1: To know the location of Greece and the surrounding countries (and their capital cities) in Europe.

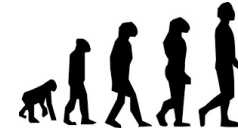

LC2: To know the climate of Greece and compare it with the UK.

LC3: To know the physical features of Greece.

LC4: To know why Greece is a popular tourist destination.

LC5: To know the main exports from Greece to the UK

As scientists we will: be exploring the topic 'Evolution and inheritance'. We will be focusing on how living things have adapted and evolved over time, and inheritance from parents.

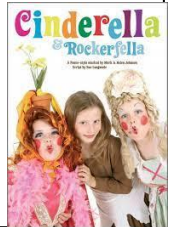

## Greece

As artists we will: be developing our painting skills, and creating props for our upcoming play!

As performers we will: be practising for our end of term play! This will be Cinderella

Rockerfella. Please help your child to learn their lines!

As writers we will: Continuing to explore Greek myths and create our own! We will also be looking at persuasive writing.

As mathematicians we will: be learning about Shape, position and direction. We will also be having Active maths lessons every Monday.

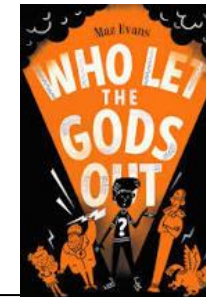

We will also continue with Times tables Rox

Wow Days: We will be planning and creating props and backdrops for our school play!

Wow Days: We will be making and tasting food based on the Olympics with 'Roots to food'

As Readers we will: be reading the book 'Who let the Gods out?' as a whole class.

As citizens we will: be learning how to keep healthy and be responsible, including transition. Year 6 will be learning about conception.
