

## Welbourn Church of England Primary School

*'Believe, Excite, Succeed, Together'*

**Friday 6<sup>th</sup> February 2026**

Dear Parents and Carers,

Well, the weather may be grey and dismal but in school we have been having a great time! I cannot believe next week is the last week of this half term, the weeks are flying past.

### NSPCC Number Day

We have all had great fun today for Number Day. We have been playing games, solving puzzles, creating treasure hunts and even baking! It has been a great way to promote maths positivity whilst also raising money for a worthwhile charity.

### Children's Mental Health Week

Next week is Children's Mental Health Week. Alongside our weekly MyHappyMind lessons, the children will also be participating in a variety of different Mindfulness Moments each day. Roots to Food will be in school for the day on Tuesday, which as always will be great fun, and support the children in understanding the benefit of healthy eating.

Here is the link if you would like to find out more about Children's Mental Health Week and access some of the resources they have.

### Young Carers

The Lincolnshire Young Carers offer is designed to help and support children and young people who care for someone at home. This maybe a parent, sibling, grandparent, or any relative who has a:

- Physical disability
- Mental health condition
- Learning disability
- Sensory impairment
- Life limiting condition
- Any other long-term illness or condition.

If you feel your child/ren may qualify as a Young Carer and would like them to be added to the Young Carers register, then please make an appointment to speak to myself about it.
