

## Welbourn Church of England Primary School

*'Believe, Excite, Succeed, Together'*

**Friday 14<sup>th</sup> January 2022**

Dear Parents and Carers,

We've had another busy week in school and the children are already telling me about their learning and showcasing their work in class and worship.

### Sports News

Amethyst Class boys took part in a football tournament last term and got through to the finals. Lots of schools took part across Lincolnshire, including a range of much larger schools. We got through to the final last Friday and the boys did incredibly well. They showed excellent team work, resilience and sportsmanship – showing true Welbourn spirit. We are all extremely proud of these boys and would like to say a massive thank you to Miss Steer and our parent helpers Mrs Gration and Miss Bull for helping to transport the children.

Liam and Anais's grandmother has also kindly donated a large sum of money to purchase new football kits and tracksuits for when we have competitions in the future, these can also be used for other sports – THANK YOU!

### COP26 recycling initiative

We have been making small changes in school to help reduce, reuse and recycle. We have started a used uniform rail in the entrance to school, all of which has been washed and in good condition. If you would like to take something, please leave a donation in an envelope and post it in the post box. If you would like to donate something, please hand it into the main office.

### Friends of School

Our Friends of School meeting took place on Wednesday where we elected the new members and have begun to plan some fundraising events for school. If you are interested in helping, please contact the school office or Lindsay Gration. More details will follow.

Please continue to check your emails, follow us on our social media sites to keep up to date with your child's learning and any further news.

Kind regards

Mrs T Boulter

### **Dates for your diary**

**17.01.22** - SEND reviews

**20.01.22** - School census (we get extra money when children have a school meal on this day so please help by signing up for your child if you are in Topaz Class).

### Safeguarding

We are committed to Safeguarding young children. Our updated Safeguarding and Child Protection policy is on our school website. (TAB Parents/policies) If you have any concerns about the welfare of a child, please call: 01522782111.

## Let's take a look at our learning this week ...

In Topaz Class, we have been learning about timelines in history, developing our skills in gymnastics and making Ramadan lanterns.

In Emerald Class, we had a virtual lesson with Sarah Outen an explorer from Inspire+ who has travelled the world. We have been learning about light and using the instruments to perform.

In Amethyst Class we have been learning about Africa's physical and human features, playing the clarinet and exploring mass and weight with newton meters.

We enjoyed our special assembly with Sam Ruddock the Olympic gold medallist!
