'Believe, Excite, Succeed, Together'

Friday 14th May 2021

Dear Parents and Carers,

This is Mental Health Awareness week. The theme is 'connecting with nature'. During worship, we planted our own sunflower seeds - we look forward to watching them grow and seeing whose will be the tallest. Each class also took part in a lesson to explore ways of using nature to help with mental well-being, including mindfulness.

We have enjoyed having some worships outside as a school family and singing altogether (keeping to a safe distance in bubbles). Mrs Puttock is preparing us for 'The Virtual Big Sing' in July.

Each week, we enjoy our Friday celebration worships. It is an opportunity to reward excellent learning, behaviour and special talents. Recently, we have created a 'Talent Tree' where everyone created a hand of talents. All children have been invited to share their talents as part of worship. Thank you to Harry and Freddy for sharing their sporting and musical talents. We look forward to seeing more talents showcased each week. Our School Council are busy planning a 'Welbourn's Got Talent' show for next term too. If you are able to donate any prizes, they would be gratefully received.

Well done to the children who achieved their 'survival skills' award. The children have worked hard each week to learn how to survive outdoors by cooking on an open fire, doing first aid and more!

We will send out the revised club list for Term 6 next week.

Have a great weekend and stay safe!

Kind regards

Mrs T Boulter

Let's take a look at our learning this week ...

Topaz Class enjoyed doing yoga and learning how to develop keyboard skills in computing.

Emerald Class enjoyed planting seeds in science and learning about mummification. They played a mummy game too – it looks like fun!

Amethyst Class enjoyed Active maths and developing their painting skills.
