Dear Parents and Carers,

What a great half term we have had, I can't believe it is the last day of term! Thank you to everyone who attended parents evening on Wednesday, we hope you enjoyed looking at your child's learning and had the opportunity to find out about their learning and attitude to work. It was great to see such positive feedback from teachers and parents.

We are continuously trying to keep parents informed about learning and changes in school. Thank you to the parents who attended the Y6 SATS information evening and phonics workshop today; you can find further information on our school website. Thank you also to the parents who attended the Parent Forum in response to our Ofsted inspection, we appreciate your support. We continue to work on our curriculum and would be hugely grateful for any support in developing our resource bank for music, IT and History. This includes creating a bigger bank of musical instruments and historical artefacts. If you are able to help in any way, please contact the office.

Well done to our Worship Council and all classes for delivering a brilliant Harvest Festival at St Chad's church on Thursday. Thank you to all of the food that was donated, this has been sent to the Lincoln Community Larder.

As you know, we have been working hard to ensure that there is breakfast and after school provision at our school. Mrs Espin, Mrs Dame and Miss Gadsby are working hard to deliver exciting opportunities for the children and there is a letter with information about the clubs which are available after school next term, this will be sent out on the first week back so please sign up as soon as possible. Please note that you will still be charged if you book a place with after school club but then don't turn up.

Next term will be a busy term, please look at the dates on our newsletter for the parent sharing opportunities and events in the lead up to Christmas. Don't forget that staff have a curriculum training day on Monday 28<sup>th</sup> October so children will be back at school on Tuesday the 29<sup>th</sup> October.

Have a great half term holiday!

Kind regards

Mrs T Boulter
