

# Welbourn Church of England Primary School

*'Believe, Excite, Succeed, Together'*

**Thursday 21<sup>st</sup> October 2021**

Dear Parents and Carers,

What a brilliant term we've had! I would like to say a huge thank you to staff and governors for working tirelessly to keep our children safe and remain open this term with such short staffing and rising cases of Covid. Thank you to parents for being extra vigilant and testing close contacts when requested.

We are looking forward to our annual Harvest Festival celebration at St Chad's church at 10.30am on Tuesday 2<sup>nd</sup> November, which was postponed this term. The children will share artwork, sing songs, perform and say prayers – we hope you can join us. Thank you for your generous donations for the Grantham Foodbank.

We are looking forward to meeting you at parents evening next term on Tuesday 9<sup>th</sup> November so we can share your child's progress and learning. If you need to amend the time, let us know.

We are excited to announce that we have begun our 'Connecting Classrooms project with the British Council. We are linked with a school in Uganda and Branston Academy. The theme is 'Literacy lifts lives'.

We have received our flags from the British Council and will update you as we continue our collaboration with the two schools.

Our clubs continue next half term up until Friday 10<sup>th</sup> December. We will send the video of the performance for dance club to parents individually. If you would like to sign your child up for any clubs, please contact the school office. These include:

Monday	Christmas Cooking	Multi skills club
Tuesday	Forest School	Film club
Wednesday	Winter sports / games club	Magical maths
Thursday	Christmas art & craft club	Starlight drama/dance club
Friday	Football Club	

Finally, we hope you have a restful half term and enjoy time with family and friends. Next term, we will launch our topics with an Inspiration day and look forward to having trips and visitors in school again. We have also planned for Inspire + to do workshops and assemblies with our children linked to well-being and our annual Roots to Food cooking experience day. Take care

Mrs T Boulter

## Let's take a look at our learning this week ...

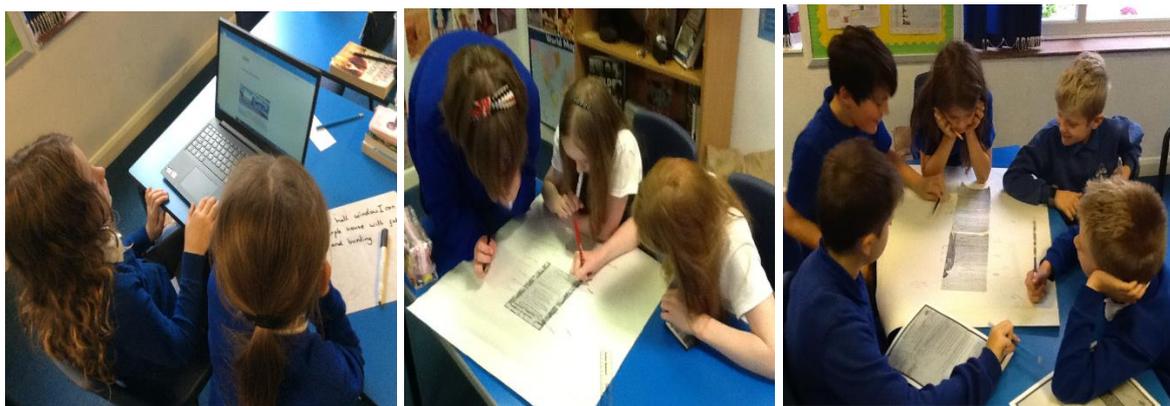

Topaz Class enjoyed making Sukkahs for Sukkot and investigating exercise and heart rate in Science.

Emerald Class have enjoyed their team schools competition with coach Hill, using pastels to create harvest artwork and playing along to Abba songs in music.

Amethyst Class have enjoyed taking photos and writing about our school as part of our 'connecting classrooms' initiative, exploring and writing poems and exploring artefacts in history.

You can view more photographs on our school Twitter pages, Facebook and Instagram.

Have a great half term holiday!
