

Welbourn Church of England Primary School

'Believe, Excite, Succeed, Together'

Wednesday 22nd July 2026

Dear Parents and Carers

As we bring the academic year 2025/26 to a close, I would like to take the opportunity to thank you all immensely for the support you have given to the staff and to the school. I also thought it would be the ideal time to celebrate some of the successes that we have achieved!

Attainment

This year staff and children alike have worked incredibly hard, and the school has end of year data to be incredibly proud of.

	Our School	National
Children achieving a Good Level of Development in EYFS	88%	72%
Year 1 Children passing Phonics Screening Check	100%	82%
Year 6 children reaching expected standard in Reading	100%	75%
Year 6 children reaching expected standard in Maths	100%	75%
Year 6 children reaching expected standard in SPAG	100%	74%
Year 6 children reaching expected standard in Writing	83%	73%
Year 6 Combined data (R, W, M)	83%	63%

These are wonderful results for the children and the school, but as we know very well here at Welbourn success is not only measured through academic achievement. Here are a few of the other successes we have celebrated this year.

Life Skills

The children have developed many different skills throughout the year, participating in Bikeability and Swimming Lessons – where they have made phenomenal progress.

Welbourn Manor

Over the year, we have strengthened our links with the care home in the village. The children have loved getting to know the residents, playing games and reading stories. This is something that will definitely continue next year.

Friends of School

This year has seen the reinstatement of our Friends of School group. They have organised some fabulous events, including a whole school Easter egg Hunt, the Summer BBQ, which raised just over £100. Some of the money raised was used to buy ice-creams for all the children at sports day and Year 6 leavers hoodies. Thank you to you all that have contributed, it is very much appreciated. I am sure there will be lots more to come next year.

Productions

Throughout the year, children have also had the opportunity to develop their performance skills. These have been seen in the EYFS/KS1 Nativity, the KS2 production of Peter Pan and many different church services. It is wonderful to witness their confidence, articulation and performance skills develop.

Roots to Food

We have loved having Darren in to join us this year. The first day he worked with the whole school to develop their cooking skills and then later in the year supported Year 5 and 6 as they prepared for the Year 6 Gala Dinner.

On top of all of this we have participated in school visits, fantastic music sessions from Mr Roberts and many, many great lessons.

We are all looking forward to seeing you back on Thursday 3rd September.

Have a lovely summer.

Kind regards

Mrs Ingamells
