

## Welbourn Church of England Primary School

*'Believe, Excite, Succeed, Together'*

**Friday 22<sup>nd</sup> November 2019**

Dear Parents and Carers,

We have had a busy few weeks! Last week, we took part in a range of activities to learn about bullying as part of Anti-bullying week. Our Road safety officer, Archie has also been very busy leading worship and helping our children to learn the importance of road safety. He launched a competition where children had to create poems and design bright outfits so that they could be seen by motorists in the dark.

Our Church school values this term are Peace and Forgiveness. As part of our learning about Peace, we celebrated World Hello Day yesterday. This is a worldwide initiative to create world peace. We discussed what this meant and learnt how to say 'hello' in different languages. Everyone was challenged to say hello to as many people as they could to show how we can communicate with others and show peace by thinking of treating everyone equally across the world. Ask your child how to say hello in a different language.

We would like to say a huge thank you for all of the kind donations of cakes and money for Children in Need day. The children enjoyed coming to school in non-uniform or spots. We raised a fantastic £122.30. Well done to the School Council for arranging the day.

We would also like to thank the Friends of School for organising a great Autumn disco and raising £161.00. It looked like all of the children were having fun!

Thank you also for supporting the shoe box appeal, there is still time to donate new pyjamas for children in Lincoln Hospital at Christmas. Members of the School Council will deliver the pyjamas to the hospital on 6<sup>th</sup> December.

Finally, just a reminder to keep an eye out for new dates which appear on our school website. There are lots of events coming up this term!

Kind regards

Mrs Boulter

## Let's take a look at some learning from our week ...

Topaz class have enjoyed creating their very own restaurant and using role play to serve and dine in it. Menus were inspired by their Roots to Food workshop.

Emerald class enjoyed typing in computing, learning about the weather in Australia and Roots to Food in school

Amethyst Class enjoyed learning about bones in Science, acting out stories in R.E and printing using clay.

Moonstone class recreated the Neville Chamberlain speech as part of their WW2 topic and have been playing Lacrosse in P.E
