

## Welbourn Church of England Primary School

*'Believe, Excite, Succeed, Together'*

**Friday 22<sup>nd</sup> March 2024**

Dear Parents and Carers,

It is with a heavy heart that I am leaving Welbourn school at the end of the academic year. Due to a number of parents asking why I am leaving, I have made the decision to leave Welbourn school due to personal circumstances and an opportunity to extend my skills and work in a larger school. It was a very difficult decision to make but after 6 years as headteacher, I believe that the school is in a very positive position so that I can leave knowing that I have done everything I can to make sure that the children get the best possible education. I am sure it will continue to shine under new leadership as our staff are incredibly talented and dedicated. I will ensure that there is a thorough handover and smooth transition for September. Leaving Welbourn will be extremely difficult as it has been such a massive part of my life and was my first headship. I will continue to ensure that Welbourn is my main focus until I leave and look forward to enjoying all of the Summer festivities and events with the children before I leave.

### TTrockstars non uniform day

We are delighted to announce that our school has come 1<sup>st</sup> AGAIN on the leaderboard of 30 schools in our area on TTrockstars. This means that we are the fastest and most competent at completing times tables. I promised the children that I would take them all to the park as a well-deserved treat if we won and they have done it again! We will visit the park on the last day of term after lunch. We invite your children to wear non uniform on the last day of term so they are comfortable.

### Easter

We have been busy preparing for our Easter celebration. Our children have been singing, writing poems and prayers, doing art and will be sharing these at our Easter service at 2pm. This will take place at St Chad's Church then be followed by refreshments at 2.30pm at the village hall. There will also be an Easter egg hunt. In addition, we are selling quiz sheets for £2.00 and raffle tickets for £1.00 - available from the school office, prizes are chocolate hampers and all proceeds will be split between school and pre-school.

### Easter Bake Off

You are invited to take part in an Easter Bake Off. You can make any tasty cakes, biscuits or treats at home and these will be judged on Thursday 28<sup>th</sup> March. There will be a prize for the winner and these will be judged by a panel of staff and governors.

### Neurodiversity week

This week has been Neurodiversity week and we have been learning about our brains and how different they are. We have been learning about ADHD, Autism and Dyslexia. The children have been thinking about how we can help people with diverse brains and what adaptations they may have in school.

Kind regards  
Mrs T Boulter  
Headteacher

### Dates for your diary

#### **Monday 25.03.24.**

3.30pm PGL parents information meeting

#### **Tuesday 26.03.24.**

1.30pm Kyra Kids Council meeting with other schools

#### **Wednesday**

#### **27.03.24.**

SWRA maths challenge – team of 4 from Amethyst

#### **Thursday 28.03.24.**

**2.00pm** Easter service at St Chad's

#### **2.30pm**

Refreshments at the village hall & Easter egg hunt at the park  
Back to school at 3.15pm

PGL trip for Y3-6/Inset day

#### **Tuesday 16.04.24.**

Back to school/ Inspiration day/2<sup>nd</sup> day for PGL trip

#### **Thursday 18.04.24.**

Road Safety Day

Swimming starts for Y3-6 – letter coming out this week

### Safeguarding

If you have any concerns about the welfare of a child, please call: 01522782111 or reported to a staff member in school.

## Let's take a look at what our children have been learning...

Topaz Class have enjoyed making maps, learning about the brain and acting out the Easter story.

Topaz Year 1 and 2 enjoyed making 3D maps and African maps.

Emerald Class enjoyed learning about the brain and developing badminton skills.

Amethyst Class enjoyed making films about our school, researching endangered animals and exploring refraction
