

## Welbourn Church of England Primary School

'Believe, Excite, Succeed, Together'

Friday 24<sup>th</sup> September 2021

Dear Parents and Carers,

It has been such a wonderful week, the children have settled into their daily routines and have produced some fantastic work. Next Tuesday at 10.30am we are excited to visit St Chad's church for the first time since the initial lockdown to celebrate all of the new children and families who have joined our school and be together as a school family to sing and pray.

Last week was Election week and on Friday we held our School Council Elections where the children voted using a secret ballot after each candidate delivered a speech. Well done to all children who put themselves forward for the role. Here are our new School Council members of 2021-22:

Amethyst Class have also applied for new jobs, been interviewed by myself and Mr Benton and started their new roles. Our Sports captains have already started to set up games for the children during lunch and playtimes.

### Clarification on food allergies

To safeguard children and staff with allergies in school, the following foods are banned: Nuts, coconut, egg, sesame buns/bread, kiwi. Items which 'may contain nuts' are allowed in school and items that contain cooked egg, such as cakes etc are allowed too.

Polite reminder, our PE uniform is a white or blue t-shirt, black or blue tracksuit bottoms, leggings or shorts and a black or blue hooded jumper or school uniform jumper. It is not a non-uniform day. Please also remind your child to remove any earrings prior to coming to school.

Have a great weekend!

Kind regards

Mrs T Boulter

Keeping safe in the sun! Please ensure that your child brings the following into school every day:

- A water bottle
- A hat
- Sun cream

## Let's take a look at our learning this week ...

Topaz Class enjoyed using the greater than and less than symbols in maths, P.E with coach Hill and developed mouse skills in computing on the laptops.

Emerald Class enjoyed using Publisher to create a poster in computing lessons, acting out Krishna in R.E whilst learning about Hinduism and creating mosaics with paint.

Amethyst Class enjoyed investigating light in science, practising touch typing in computing lessons and discussing inclusion and barriers in PSHE.

You can view more photographs on our school Twitter pages, Facebook and Instagram.
