'Believe, Excite, Succeed, Together'

Friday 26th November 2021

Dear Parents and Carers,

Since our last newsletter, our School Council have been extremely busy and proactive planning and preparing for lots of wonderful events. They did an excellent job planning our Children in Need day where the children dressed with 'crazy hair, colours, stripes and spots!' Thank you for your support – we raised £141.50. We had a brilliant day doing competitions, taking part in an active session with Joe Wicks and doing some mindfulness with Dr Raj. They have also planned a 'Christmas film and PJ evening' on Friday 3rd December. The children are welcome to bring in their pyjamas, a teddy and cushion and relax in the hall with a hot chocolate and film. We will provide hot dogs (including vegan options) and snacks. The tickets are £5.00 each and all money raised will go towards buying a class set of ipads for our school, as requested by the children. Please purchase your tickets before Thursday, from the office.

We had our annual Roots to Food event on Tuesday. The children had a great time preparing food, learning about the nutritional value and origins of each ingredient and best of all – tasting them! They made Spanish meatballs, which were delicious. Thank you to the parents who attended the workshop after school, please find attached the recipe so you can also make it at home.

Our Friends of School have been busy planning our 'Christmas lights switch-on' on Wednesday 1st December at 4.00pm. You can enjoy a hot chocolate, listen to our children sing a few carols and there will be a few stalls held by the School Council. We will also be doing a 50/50 game.

We would like to say a massive thank you to The Joiners Arms pub in Welbourn for raising £250.00 for our school. Our School Council have decided to put that money towards a class set of ipads.

As you are aware, we had a Section 8 Ofsted monitoring inspection last week, which was very positive. As soon as the letter is published, we will send you a copy so that you can see how we have improved and the ideas that we have highlighted to further develop.

Kind regards

Mrs T Boulter
