*'Believe, Excite, Succeed, Together'*

**Friday 24<sup>th</sup> May 2024**

Dear Parents and Carers,

We have had such a busy few weeks! We are incredibly proud of our Year 2 and 6 children who have completed their SATS tests this term and had a well-deserved ice-cream treat and visit to the park.

Yesterday, we enjoyed our film night, which raised over £100 towards paying for the stage to use for our KS2 end of year production. Thank you for your support, the children had a great time! The children now have all of their parts to learn and have been practising singing and acting. Tickets will be going on sale soon and the children plan to create the props and back drops for the play on Inspiration day.

When we return to school, Mr Clarke will be delivering our inspiration day, forest school workshops with the children. Please ensure that they have waterproof coat and a change of shoes/wellies in case it rains.

### Summer Event!

Plans are already underway for the event on Friday 12<sup>th</sup> July. We have a band, ice-cream van, bouncy castle and have started to get some prizes for the raffle. We need your help to get as many prizes as we can and help run some stalls. Please can you spread the word and let us know if there are any businesses or friends and families who would like to run a stall or that can help. We hope to make this a fun-filled evening for everyone. Can anyone help us to get some "stocks", a penalty shoot out, circus contacts etc? Any help would be greatly received, the proceeds from this event will pay for enriching opportunities for the children for September.

### Headteacher recruitment message from the Chair of Governors

Two weeks ago, a panel of governors, the County Council and the Diocese interviewed candidates to be headteacher from the autumn term. Children and staff were a great help during a busy day - they took part in lessons, collective worships, and school council interviews - and the children gave some fantastic intelligent feedback. However, at the end of the day, it was decided not to appoint any of the candidates. Instead, we are readvertising. It is most likely that the new person will not be able to join us until January 2025, so we are working with the County Council to find an interim headteacher for the autumn term. This is likely to be someone borrowed from or shared with another school, and at the moment we haven't agreed who that will be, but we are hoping to do so very soon and will let everyone know as soon as we can.

Next term, we will communicate the class structure for September, including which class your child will be in. This will also include opportunities for transition days too.

We have a range of opportunities planned for next term so please continue to look at the dates and school website for these. Please refrain from booking holidays during term time as we are not allowed to authorise these and the children miss out on learning and activities as a result.

Have a wonderful half term break, let's hope we get a bit of sunshine to enjoy.

Kind regards  
Mrs T Boulter  
Headteacher
