

## Welbourn Church of England Primary School

*'Believe, Excite, Succeed, Together'*

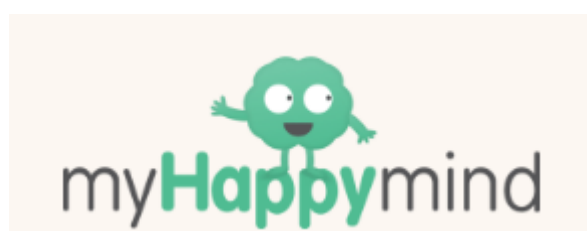

**Friday 4<sup>th</sup> April 2025**

Dear Parents and Carers,

Well, we have reached the end of the Spring Term and the end of my first half term here at Welbourn. It is an absolute pleasure and privilege to work here. We have already achieved such a lot in a short space of time, and I am very excited to see the progress we will continue to make.

### My Happy Mind

Just a reminder that the school follows the myHappyMind programme in school. My Happy Mind is a science-backed programme for schools and is grounded in the latest science and research about what it takes to create positive well-being and greatly supports the opportunity to develop spirituality. The lessons are progressive and each term has a different whole school focus:

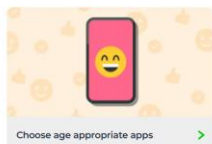

- Meet The Brain
- Celebrate
- Appreciate
- Relate
- Engage

Alongside the lessons in school, there is also a parent app that you can use. Here is a short video that tells you more about it.

### Internet Safety

Internet Matters ([www.internetmatters.org](http://www.internetmatters.org)) is a website that aids parents with all areas of internet safety. It supports parents on how to set parental controls on different devices, how to control the settings in different apps and SO much more. Please do take a look.

### Easter Celebrations

This week has been a fabulous final week with lots of Easter celebrations taking place. Thank you to all the family and community members that joined us on Tuesday 1<sup>st</sup> April for our Easter Service at St Chad's church. I'm sure you will all agree the children read beautifully, telling the Easter story and the hymns were a real celebration for the time of year.

Alongside this the children have been busy with different Easter craft activities and have made Easter cards for their families and some for the local residential care home too. The residents at Welbourn Manor were very appreciative of the cards that were hand delivered to them.

During After School Cookery club the children productively made chocolatey Easter nests, enough for themselves and for the children at Welbourn Wonderbugs Pre-school. On Thursday the pre-school joined Topaz class for an Easter Egg Hunt. A lot of fun was had by all!

I hope you all have a fantastic Easter break and we will see you back ready for a day on the farm on Tuesday 22<sup>nd</sup> April 2025.

Kind regards  
Mrs A Ingamells
