

Dear Parents and Year 1 and 2 children,

This term we will be exploring the local geography topic 'What causes a commotion in the ocean?'

Our learning challenges for this term are:

To know the continents of the world.

To know the world's oceans and seas.

To know where the equator is.

To know where the UK is and what sea/ocean surrounds us.

To use basic geographical vocabulary to refer to human features including port, harbour.

To explore how to care for our oceans

In R.E we will: be finding out what we can learn about different places of worship.

In Computing we will: be using Scratch Jnr to design and create a programme.

As scientists we will: be learning about Living Things and their habitats.

As Y1 mathematicians we will: be learning about multiplication and division.

As Y2 mathematicians we will: be learning all about telling the time and statistics.

What causes a commotion in the ocean?

As musicians we will: be using technology to produce music.

As readers we will: be reading daily within our phonics lessons but we will also be sharing our class book together daily for 15 minutes_Y2 Children will be completing the L.E.A.D Fluency programme for 8 weeks.

As athletes we will: be learning the skills needed to play Tri-Golf with Coach Jack and Athletics with Miss Steer.

In PSHE we will: be learning all about computer safety.
